

Semi Automatic Tubular Bag Case Packer Fi-CLS

From the Fischbach machinery line for cartridge filling, accessorizing and case packing.

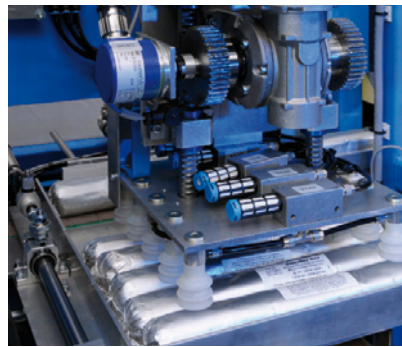

Fischbach Tubular Bag Case Packer Fi-CLS: Up to 50 bags per minute accessorized and packed.

Features

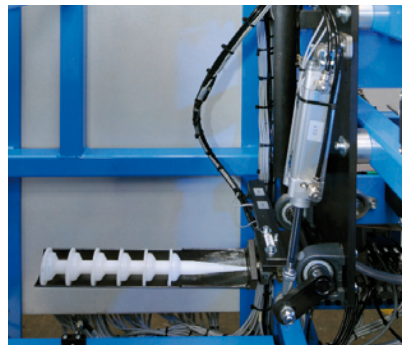

- Packages all common sausage types.
- Pick and place technology gently handles bags and give the flexibility of handling many different bag sizes.
- Compact modular design allows the machine to be optimally adapted to individual packaging requirements, while taking up a minimum of space.
- Runs reliably at 50 bags per minute with only one operator, making the Fi-CLS an ideal enhancement to any tubular bag filling line.
- Integrated capability to add nozzles to each case in one automatic operating cycle.
- Change of format accomplished without tools in less than three minutes.
- Cutting edge process control allows trouble-free operation and intuitive operation interface.
- Machine is equipped with CE and OSHA-compliant pneumatic and electrical lockouts.

Bag Infeed Conveyor

Pick & Place Unit

Nozzle Sorter / Feeder
